

Gilmore Goals

Step 1: The three problems you will be solving all involve the same three variables. Put the variables into the picture below

Step 2: Fill in the chart below for the first problem you had to solve and then show the work you did to get your first answer

Name	Variable	Value	Unit
Distance			
Time			
Speed			

Step 3: Fill in the chart below for the second problem you had to solve and then show the work you did to get your second answer

Name	Variable	Value	Unit
Distance			
Time			
Speed			

Step 4: Fill in the chart below for the third problem you had to solve and then show the work you did to get your third answer

Name	Variable	Value	Unit
Distance			
Time			
Speed
