	Doppler Effect Lab		
Purpose:			
	Your plane is traveling over the fairgrounds. It will be timed as it moves over the 700 meter course. You can change between measuring speed and measuring wavelength at any time.		
Steps:	Speed Level: 3		
	100 200 400 feders 500 600 700 800		
	Resume Plane Reset Measuring Wayes Finished		

Data:

Speed Level #	Time (s)	Speed (m/s)	Wavelength (m)
